Senator Levin's office changed their mind and are now sending someone.

Thanks,
 Eileen

You know, if Fred doesn't mind, I think it would be beneficial for me to do the tour on the 27th. Is that invite still open?

Thanks for checking Paul.

If anything changes and Senator Levin is able to join us on May 27 or would like a staff member to attend, please feel free to call me at (312) 886-1728. Otherwise, we'll look forward to setting something up for Senator Levin in the near future.

Thanks again,

Eileen

Hi Eileen,

Unfortunately that date won't work for Senator Levin, he will be in northern Michigan that day. We'll have to keep trying for a date, but it's not in the cards for the Memorial Day recess. I'm not sure how much opportunity there is in his June schedule for him to get to Kalamazoo, so it might have to wait until Summer. I'll keep bringing it up to our scheduler though.

-Paul

Hi Paul,

Congressman Upton has requested the Allied Landfill Site tour be on Tuesday, May 27. We're hoping Senator Levin is able to join us. If not, we are happy to set something up for Senator Levin that fits his schedule.

Thank you,

Eileen Deamer

Hello,
Thanks for the notification about the open house next week (I got a card in the mail too).

Yes, Senator Levin told Mayor Hopewell that he would tour the Allied site so it's definitely on the "to do" list. Unfortunately I don't have any proposed dates at this time. Senator Levin will not be back to Michigan at all during this spring recess, in fact he'll be in Afghanistan next week. I'll let you know as soon as I have a date.

Thanks again!

-Paul

Mr. Troost:

Please find attached the announcement for an information session scheduled on April 22, 2014, on cleanup options for Allied Landfill.

In addition, the City has indicated there is interest from Senator Levin to tour the site, along with Congressman Upton and Senator Stabenow. If that is the case, EPA is happy to set up a site tour and I can be in touch with some possible dates for that tour in the next week or so.

Thank you,

Eileen Deamer
